CHSBC 50th Anniversary Celebration

On September 29th Cheshire Homes Society of BC celebrates its 50th year, having been incorporated on October 2, 1973.

The wine and cheese night event was heartwarming, bringing great joy to the clients, staff, board members, friends, and family of CHSBC who gathered to celebrate.

“

Witnessing people who've been associated with the organization for a long time, hearing their stories & sharing their memories was a significant moment for me ~ Priya Prathaban

Silent Auction for Fundraising

We are particularly thankful to the individuals and vendors who generously donated free gifts that we included in the silent auction.

We would like to also extend our highest appreciation to the volunteers who came together and contributed to the success of the event.

The night was memorable as the guests came together, mingling, and sharing their stories.

The rooms were adorned with pictures and newsletters from the past, creating a nostalgic journey for the guests to stroll down memory lane.

Moving Towards Independence

A notable moment during the event was the presence of Mr. Tony Du Moulin, who can be seen cutting the cake. He was a member of the CHSBC committee and he submitted the application on September 24, 1973, leading to CHSBC's official incorporation as a Society.
